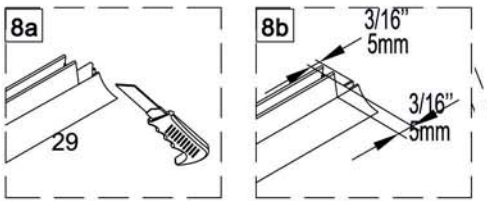
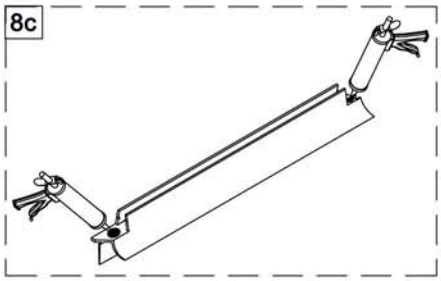
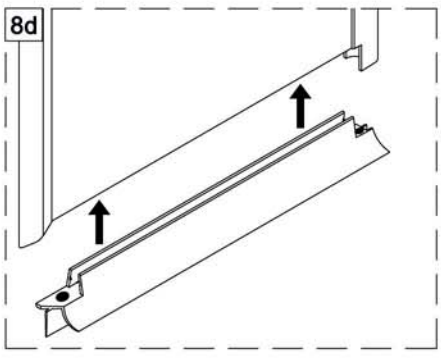
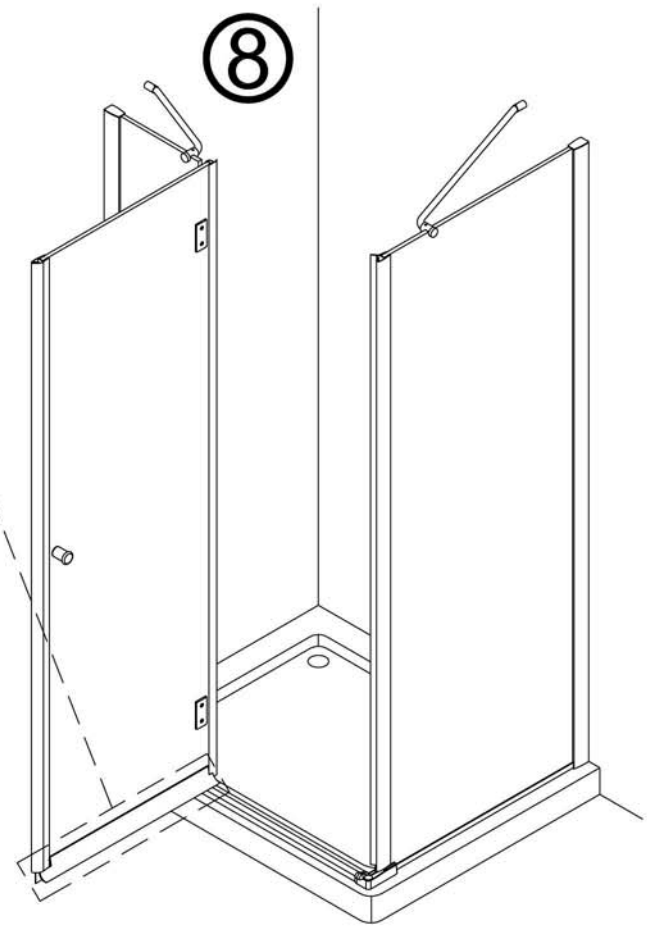
Note: Le bloc d'espacement doit être retiré pour installer le pare-goutte.

Note: The spacer block has to be removed in order to install the door swipe.









Assurez-vous que les charnières ont été serrées adéquatement.
Si des ajustements sont nécessaires, défaites la charnière, replacez la porte puis reserrez la charnière.

Make sure the hinges have been tightened securely during the installation.
Only if adjustment is required, loosen the hinge to adjust door square, and then tighten the hinge to secure.
